

The Uniquely Human Skill Set

The Inefficient Skills | "For No Purpose / Outcome"

Embraces Inefficiency

Inefficient skills with no outcome.

For the love of understanding.

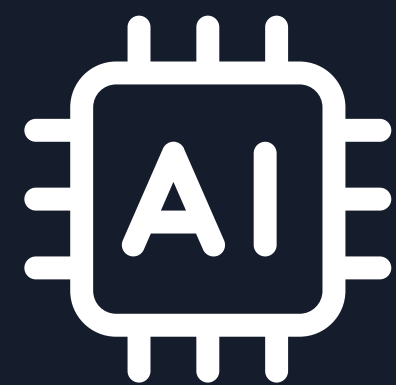

For no other purpose than incremental growth.

Slow is good.

As apposed to ...

Driven By Efficiency

Outcome focused.

Cognitively Fast (many magnitudes times faster)

e.g. If 1 million times faster:

1 human week, for AI is equivalent ~19,000 years.
